Opportunities**

# About NGI

Now A Million Dollar Question...why?  
And Here We Have A Million Reasons...  
Why It Needs To Be Only NGI...

Education will always hold a prominent place in society. Whatever be the technological advances, society will never lose its grip on education. One such organisation that balances the innovations in technology with the dire needs of the society is 'NAGARJUNA GROUP OF INSTITUTIONS' (NGI).

Foreseeing the necessity of professional academic educational facilities that are imbued in a strong value system, NGI was established in the year 1995 under the able leadership and guidance of its founder Shri J.V. Ranga Raju, respectful industrialist, and philanthropist.

NGI's mission of pursuing the finest and the highest level of education from primary school to industry ready professional education program is transparent by its rapid growth. For ages the hallmark of the Institute has been creating some of the finest and thorough industry ready candidates for various professional field of work. The Group boasts of six Institutions ranging from Primary School to Post Graduation in Commerce, Management, Pure Science, Computer Applications and Engineering streams with over 10,000 students and about 900 faculty members on board.

Nagarjuna Group of Institutions (NGI) even today stands as an icon for enriching education, ethics, practical learning for the benefit of the society and for the young aspiring youth of the country

20+ Courses  
10000+ Students  
900+ Faculty

## Vision

Leadership and Excellence in Education

## Mission

- Drive to provide excellent educational opportunities that are responsive to the needs of the students. Providing quality, responsive education and skill based programmes
- Equipping the students with the skills necessary to respond to the opportunities and challenges associated with ever-changing societal demographics
- Empowering the students to meet and exceed challenges as active participants in shaping the future of our world.

## About NDC

Nagarjuna Degree College (NDC) is a premier Institute that has been woven into Nagarjuna Group of Institutions (NGI). NDC has the most efficient and experienced faculty members whose dedication towards the students is only to be seen to be believed.

NDC not only trains young minds, but also focuses on the student's physical health and mental well-being.

Overall development of the student community in all spheres of life not sparing even the smallest intricacies of life speaks volumes of NDC's tiring efforts to build a society that is endowed with knowledge and that would last for generations.

At NDC, the students feel at home. NDC has a vast campus and is well-equipped with every modern high-tech infrastructure and the student will never be found wanting in any aspect. NDC caters to the middle class and lower middle-class families and this goes to show that the fee structure is socio-friendly in nature.

At NDC, accountability is a noteworthy element. Every student is moulded with right skill sets and is sent out into the world to reach and conquer higher pinnacles of success. NDC vows to continue building students for the future, today and every day.

## Why Nagarjuna Degree College

**Industry and Academia Interface :** As a part of academia – industry collaboration industrial visits are a part of the curriculum at NDC, where students are given an exposure to the actual working environment.

**Student Friendly Ambience :** Students of Nagarjuna Degree College are made to feel comfortable and at ease on campus, through the facilities like lift, canteen, amphitheater and the cool ambience of beautiful garden.

**Customised Value-added Programmes :** NDC designs, develops and offers tailor made programs based on specific requirements of individual or industry to facilitate students with nascent developments and skills and also acquire advanced certificates. Customised value-added programmes offered to tap the innate talent of each student at campus catering to professional, theatre, music, fine arts and sports.

**Encouraging Sportsmanship :** Participation in games & athletics at state and national level are a part and parcel of NDC. Fencing, American Football, Kabaddi, Volley Ball, Chess, Cricket are the few sports that can be taken up as a full fledged career or as a part of building up their sportsmanship. Expert coaches of every sport are readily approachable at NDC.

## Message from the Principal

“Our college is recognized as a platform for students to build their wings and fly beyond the horizon. The college emphasises on developing and maintaining positive relationships meaning that we know each student as an individual, we learn to provide more personal support and greater access to opportunities in each student's chosen field of interest. Our approach involves working with parents to meet the individual need of every student and support them in fulfilling their academic and co-curricular goals and dreams.”
